

TRUE MEN

MINISTRIES

*“Behold, there is a man of God in this city, and he is a man who is held in honor; **all that he says comes true.** So now let us go there. Perhaps he can tell us the way we should go.”* 1 Samuel 9:6

Volume 1, Issue 9. June 2009

This month is the True Men in the Mountains Advance 2009. In previous years it was called a “retreat.” But as Len Sweet says, “Christians don’t retreat, they advance!” It is a “war” analogy and recently I was talking with a brother about a new evangelism group he is forming. Its called “Frontline” (not to be confused with the flea collar or the PBS show). Christian men are on the front lines advancing against the enemy—the devil. We’re in a fight, to be sure. But it is a fight that is already won! Jesus wins the victory with His death and resurrection. Now He has called us to carry on the battles. As Christian men we have a huge impact on our families and also our culture. That is what we will be talking about after the day’s activities at the Mountain Advance. Next month, I’ll share some of the things then men talked about.

Malibu Creek State Park used to be the Fox Studios ranch. Bob Hope and Ronald Reagan used to own some of the land that makes up the park. It was the sight of exterior shots for shows like M*A*S*H and Planet of the Apes. June 25-28, 2009, we’ll be tent-camping there! Only about 15 minutes from the ocean but in the mountains, we are planning four days of hiking, surf fishing, and getting in touch with our Creator and Redeemer. We also will be doing some rock climbing with Craig DeMartino! All this and your food, too, for \$50. You can sign up for the 2009 Mountain Advance at www.truemen.org/mountains For more information contact us at info@truemen.org!

The Official True Men Ministries Web site. www.truemen.org We are hosted at Yahoo but we could always use help in paying for the website space. On the website are several Bible studies that I’ve put together and led at my church’s men’s and adult Bible studies. There are also recommendations of music, videos, and books that can be ordered through our Amazon.com portal.

Brothers in Battle is designed to help men engage in this already-won war. But not alone! *Brothers in Battle* will help men band together in groups,—squads, platoons, and companies—where the battles are truly won. An army of soldiers is important. But it is at the squad, platoon and company level that the battles are fought hand-to-hand. No one can fight and win alone, nor should they expect to.

Brothers in Battle will provide ideas and strategies for small groups of men to band together and fight the enemy as well as to strengthen their families or future families with the powerful Gospel of Jesus Christ. *Brothers in Battle* is a work-in-progress. Starting with Major Dick Winters' *Leadership at the Point of a Bayonet*, I've been fleshing out those ten points he makes as well as reading the stories of Easy Company. You can read their stories, too, by going to the *Brothers in Battle* homepage at www.truemen.org/brothersinbattle
